Dear Joanne,

Welcome to our inaugural alumni newsletter for York's Master of Financial Accountability program!

We would like to start off by thanking all the volunteers and participants who have been supporting the MFAC program, especially during such unprecedented times. We take the safety of our community seriously, and as a result, the MFAC program will continue to operate remotely until further notice.

We have started planning new opportunities for our alumni and friends to stay engaged. Please stay tuned for more information regarding workshops starting this fall. For more information, please **visit our website**.

We would like to wish you all the best during these unique and challenging times.
