You will also work with a wide group of key stakeholders in marketing, product, risk & trading, analytics, and technology.

THE GAME PLAN:

Everyone on our team has a part to play

We are looking for a teammate who can:

Research the market, consumers, and the competition to help drive decision making across our sportsbook and casino

Synthesize data and research findings into actionable recommendations for the leadership

Support commercials on contract negotiations with key partners and performance analysis

Work with marketing to optimize spend and support the execution of content strategy, activation, and

Stay on the pulse with daily performance (e.g., revenue increase/decrease and reasons for)

Support/prepare financial analysis for key projects

Build and maintain relationships with various stakeholders

THE STATS:

What we're looking for in our next teammate

Actively pursuing a degree in commerce, marketing, math, finance, or other quantitative fields with a strong GPA

Strong proficiency in PowerPoint, Excel, and other analytical tools

Demonstrates a passion for the industry

Strong collaborator stakeholder management relationship building & maintenance

THE CONTRACT

We treat our team right

Competitive compensation is just the beginning. As part of our team, you can expect:

An exciting and fun environment committed to driving real growth

Opportunities to build really cool products that fans love

Mentorship and professional development resources to help you refine your game

Flexible vacation allowance to let you refuel

Hall of Fame benefit programs and platforms

2. Marketing Internship - Fall 2023 - FanDuel

https://www.fanduel.careers/open-positions/marketing-internship-summer-2023-5132745?gh_jid=5132745

Hall of Fame benefit programs and platforms

3. Intern, Finance (CPA Stream) - Fall 2023 - Brookfield

https://brookfield.wd5.myworkdayjobs.com/brookfield/job/Toronto-Ontario/Intern--Finance--CPA-Stream----Fall-2023_R2031432?source=LinkedIn

Location

Brookfield Place - 181 Bay Street

Brookfield Culture

Brookfield has a unique and dynamic culture. We seek team members who have a long-term focus and whose values align with our Attributes of a Brookfield Leader: Entrepreneurial, Collaborative and Disciplined. Brookfield is committed to the development of our people through challenging work assignments and exposure to diverse businesses.

Job Description

The Opportunity:

Each platform has its own best-in class Finance team. We are looking to fill several Finance, Intern positions within the different business groups for Fall 2023. Based out of the Global Head Office in downtown Toronto, the Finance, Interns will be placed into a finance team within one of our platforms: Private Equity, Infrastructure, Reinsurance, Real Estate and Global Manager (BAM).

Students will have the opportunity to work in the following areas of the Finance function: financial planning and analysis, reporting, treasury, internal audit, investor relations, corporate finance and/or taxation.

Why Brookfield?

Brookfield is now a CPA pre-approved training office. Students will have the opportunity to earn their CPA experience while working at Brookfield. This role is ideal for students who are interested pursuing their CPA designation.

Aligned with our 'grow from within' talent strategy, our internship program is available to students for a fall, summer or winter work term. Students have the opportunity to demonstrate their experience, aptitudes, leadership and teamwork towards potential full-time employment.

Position Summary:

The Finance Intern will report into a respective Manager and will collaborate with all levels of the organization. Main responsibilities may include:

Assist with quarterly financial statements and reporting

Review, investigate and correct discrepancies and irregularities in financial entries, documents and reports

Prepare variance account analysis and related schedules

Maintain general ledger for corporate entities

Execute full-cycle accounting transactions

Connect with key stakeholders in the business to obtain approvals

Assist with the coordination and execution of audits

Prepare correspondences, gather and summarize information for routine investor requests

Support initiatives to improve processes and operational efficiency and enhanced internal controls

Requirements:

Working towards a Bachelor's degree with a focus or major in Accounting or Finance

Interest in pursuing an accounting designation (CPA)

Proficient with MS Office (MS Excel, Word, PowerPoint)

Superior interpersonal skills, communication skills (oral and written) and takes initiative

Organized, always on the ball and able to effectively prioritize to meet deadlines

Self-motivated and open-minded, with a willingness to learn foster relationships

Professionalism. Is comfortable working in a corporate and highly fast-paced environment

4 Facility Accounting Intern (4-month contract) - Northland Power Inc.

https://northlandpower.wd3.myworkdayjobs.com/ExternalCS/job/Careers-Toronto-ON-Canada/Facility-Accounting-Intern--4-month-contract-_R-23130

What You'll Do:

As a Facility Accounting Intern, you will work on routine tasks and special projects focused on continuous improvement. Working with experienced CPA's and full-time CPA students, you will be exposed to a wide variety of accounting work including foundational general ledger activities (entries, reconciliations, payments) as well as budgeting/forecasting, public company reporting, and financial systems. You will be challenged to enhance your skills in problem-solving, decision-making, communication and collaboration.

Recent students working with Northland Power's accounting team mention the fun, supportive culture and variety of work projects as highlights they enjoyed during their term. The ideal candidate will be working in support of the Facility Accounting team (operational and project under construction), Financial Reporting team, or the Development team.

CPA Path Opportunity: Northland Power's accounting team runs a CPA Pre-Approved Program for its full time CPA student hires. Although the Accounting Analyst Student role is not specifically pre-approved, experience gained in this role is expected to qualify when submitted through the CPA experience verification program.

Key Responsibilities

Assist in completing day to day processing of transactions to ensure accounting records are maintained in an effective, up to date and accurate manner, which includes completing monthly closing process, account reconciliations, and intercompany settlement.

Support Accounting & Reporting Function for Projects Under Development /Construction.

Assist in updating monthly construction cost model.

Support Facility Accounting team for Operational Assets which includes assisting in preparing various internal or external financial reports as well as the annual facilities' budget process by collaborating with Operations team

Who You Are:

Methodical and organized: You work methodically and relish the opportunity to add structure and order to your work. This will help with the competing priorities you will be managing.

Problem-solver: You proactively identify hurdles and obstacles to your end-goal and don't shy away from working collaboratively to solve those issues.

Collaborative: You are a natural relationship builder and comfortable working with a diverse group of stakeholders at different levels.

A Strong Communicator: You have exceptional oral and written communication skills and are able to articulate your analyses in a clear and concise manner.

Diligent: You have solid attention to detail, and you follow up with others where needed to ensure outstanding information or actions are complete. You are hands-on and will roll up your sleeves to complete deliverables within the required deadlines.

Collaborative: You build relationships, seek diverse perspectives, leverage effective communication, and encourage cross-functional sharing of information.

Qualifications and Experience

Strong academic performance in an undergraduate accounting and finance program and the intent to pursue a CPA designation upon graduation.

Experience working with Microsoft Office (Outlook, Word, PowerPoint) and strong Excel skills.

5. Finance Co-op Student - AECOM

<https://jobs.aecon.com/job/Finance-Co-op-Student/570554717/>

What is the Opportunity?

Faster.Smarter.Safer. This is how Aecon Utilities is committed to delivering projects. Aecon Utilities is ready to become Canada's #1 utility construction provider and we're looking for a Finance Co-op Student to help us get there! Reporting to the Finance Manager, the Finance Co-op Student will be responsible for daily activities such as General Ledger maintenance and entering billings and payroll entries into the

systems. While performing administrative tasks and additional duties as required. This is a 12-month Co-op opportunity with our Utilities Finance team.

What You'll Do Here

Assist with month end close off process (i.e., preparation of journal entries for divisional financial statements and elimination entries, recurring entries and accruals);

Assist with the preparation of monthly management report, including financial statements and supporting schedules;

Monthly inter-company reconciliation and confirmation with other Aecon divisions;

Monthly JV Billings and associated reconciliations;

Account analysis and preparation of working papers and schedules;

Prepare joint-venture financial statement for JV Partners;

Perform reconciliations and variance analysis, ensuring timeliness and accuracy;

Build and maintain excel reporting models used for monthly and quarterly reporting;

Assist with preparation of business plan and quarterly forecast, including entry and maintenance of data in accounting system;

Assist with interim and year end audit and reporting requirements;

Assist with year end tax worksheets;

Assist with client reporting;

Document and ensure continuous process improvements are applied within area of responsibility;

Participate in special projects and initiatives as required.

What You Bring to the Team

Related Post-Secondary education; working towards Accounting/Finance designation (CPA, CGA, CMA, CA)

Demonstrated computer software proficiency with Microsoft Office; advanced Excel skills required

Excellent and proven organizational skills in order to meet multiple deadlines and handle multiple tasks within a fast paced work environment

Strong analytical and interpersonal skills

Ability to work effectively in a team

Ability to work with a sense of urgency by demonstrating the ability to shift priorities to accomplish objectives

Effective time management in order to keep commitments to both internal and external clients

Excellent communication skills

6. Intern, Development Accounting -Fall 2023 (4 Month Coop) - Dream Unlimited

<https://recruiting.ultipro.ca/DRE5000DOMC/JobBoard/641409c4-22a9-4262-b1c5-14ed9a4d73fb/OpportunityDetail?opportunityId=e6480de8-1cfc-4f6e-b161-843653e96c6e>

What experience will I gain?

Below are some of the primary responsibilities you will be taking on in this role:

Assist in the monthly and quarterly financial reporting process

Assist with execution and learn related accounting treatment for key transactions and financial operations on certain projects

Record monthly and quarterly corporate journal entries including inter-company transactions, equity investments, distribution/contribution transactions, and corporate elimination entries

Prepare and analyze account reconciliations

Assist in ad-hoc projects and analyses including cash flow forecasting

Assist in preparation of monthly reporting packages to business partners

Support team members and other departments as required

What type of experience do I have?

In addition to being able to showcase your collaborative mindset and positive attitude, you need to be currently enrolled in an undergraduate or graduate program, with a focus on Business or Accounting.

The following are your keys to your success with us:

Being diligent and detail oriented when preparing deliverables

Being driven to continuously learn from experiences and seek out feedback and development opportunities

Working hard and smart to meet demands and deadlines at key times of pressure

Being a strong team player and supporting the achievement of collective goals

Utilizing strong problem-solving skills to develop solutions to key issues

Strong Excel and communication skills (e-mail and verbal)

Demonstrating a commitment to your personal learning with a desire to pursue an accounting designation

Who are we?

Dream Unlimited Corp. is a leading Canadian real estate company with over \$17 billion of assets under management in Canada & the US. We develop, manage, and invest in master-planned communities, income properties, and urban intensification. We proudly build communities from the ground up: from land development to buildings homes and condominiums, and from providing retail centers and driving renewable energy projects to managing assets across the country.

Our attitude and approach set us apart from our competitors. We are guided by our entrepreneurial spirit: we seize unconventional opportunities and try new things, approaching every project with passion and purpose. Our culture is important to us, so we make sure to bring on people who enhance it.

10. Commercial Portfolio Intern, Fall 2023 - Equitable Bank

Easily apply on Indeed

<https://ca.indeed.com/jobs?q=finance+intern&l=Toronto%2C+ON&from=searchOnHP&vjk=0954a4e362a751fa>

Purpose of the Job:

To assist with the Construction Portfolio team with the processing of sub-advances and ad-hoc requests. The intern will be trained on reviewing Quantity Surveyor reports in order to complete sub-advance worksheets.

To assist the Portfolio Management team with the underwriting of CFG commercial mortgage annual reviews and renewals. The Intern will be trained on all aspects of underwriting, which will include but are not limited to: analysis of rental income streams; assessing borrower financial strength; and identifying key risk factors inherent in the lending decision. The Intern will also become familiar with the Bank's established policies and underwriting standards as well as federal compliance regulations while finding creative solutions to achieve customer service goals and internal volume targets.

The Work

60% on a daily basis, the Intern will assist with processing subadvances and will analyze and underwrite CFG commercial mortgage loans. Time will be divided between the two areas as business demands are required. Attention must be made to ensure that compliance with the company's established lending guidelines and procedures are followed with recommendations submitted for approval to management. The incumbent is responsible to ensure all lending criteria have been satisfied on deals underwritten and outstanding documentation/conditions, if any, are being met in a timely manner.

10% on a daily basis, the incumbent will communicate with external contacts (partners, solicitors, etc.) and internal contacts (coordinators, managers, administrators, etc.) to ensure mortgage loan transactions are processed in a timely and efficient manner in order to deliver superior customer service and meet required funding deadlines.

10% on a daily basis, the incumbent is responsible for time management of their deal flow in order to meet prescribed deadlines.

20% on a weekly basis, the Intern will assist with various credit-related and administrative duties such as reporting, pipeline management and ad-hoc projects.

Let's Talk About You!

Currently enrolled in University or College program (Finance, Business, Accounting or Economics is preferred)

Demonstrated ability using MS Office (Excel, PowerPoint, and Word)

Strong organizational skills and demonstrated ability to work under pressure and adhere to tight deadlines

Strong attention to detail

Strong analytical skills

Excellent oral and written communication skills with the ability to respond in a clear, concise and professional manner

Ability to handle multiple competing priorities

Ability to work in a fast-paced environment

Application Deadline

Resumes will be looked at as of Tuesday July 4th as the opening date, with the application deadline being Friday, July 28th as our closing date. All postings will be closed as of end of day Friday July 28th at 5:00 PM.

How to Correctly Submit Your Application

All applications must be submitted through our company website:

<https://jobs.lever.co/eqbank> . Search for: Commercial Portfolio Intern, Fall 2023

Please note that you must be an active student going back to school. Applications from students who have already graduated will not be accepted unless you need to do a co-op placement in order to graduate.

Please scan together and submit ONE DOCUMENT that includes your transcripts, resume and cover letter. Please note that if the application is not completed properly, it will not be accepted.
