- You will be required to complete a survey and upload your documents relevant to finding an internship
- Simply email [miabstud@yorku.ca](mailto:miabstud@yorku.ca) or [pevans@yorku.ca](mailto:pevans@yorku.ca) to sign up for FACC6850 PROP
- You can sign up for FACC6850 PROP anytime, please do so as soon as possible
- After completing FACC6850 PROP enrollment remember to start applying as soon as possible (some competitive internship positions for next summer close mid-September)

**FACC 6850**

## International Students

- Important to apply for a co-op permit as soon as possible even if you do a MIAB internship which does not require it
- Requires IRCC letter from MFAC Program with application (MIAB will arrange letter for you)
- IRCC usually takes 1-4 months (recently 120 days)
- MIAB internships can commence without the permit
- MIAB has a great York International presentation on IRCC requirements on Friday, September 8 at 11.30am as part of MO20 (which starts at 9.30am)
