About the job

Build Your Career at Aecon

Aecon is proud to build some of the most impactful infrastructure projects of this generation. From the roads and transit systems that connect our communities, to the communication networks that link us from coast-to-coast, and the water infrastructure that supplies our businesses and homes. Our integral work includes constructing the pipelines that join provinces with the energy that fuels the nation, and the airports and ports that connect us all. Aecon is there, safely and sustainably building the future.

We lead the infrastructure industry with purpose, and our people are at the heart of everything we do. Our business success relies on strong execution and continuous improvement – driven by the diversity, expertise and teamwork of our employees. We are always searching the globe for exceptional candidates to join the Aecon family and be a part of our forward-thinking, innovative, best-in-class organization!
