About the job

Discover Your Impact

You know those big cities that still feel like small towns? Where is everyone friendly and helping each other out? That's like Grant Thornton. Except here we're all professionals and there isn't a mayor or a general store. What we're trying to say is that we're a large and growing professional services firm that still feels like a community. We employ over 3000 people across Canada, and we truly care about our

colleagues, our clients and the communities where we work and live. That's what's most important to us. We're building a thriving organization that's purpose driven and still want to remember what your favorite milkshake flavor is.
